Putting the 'me' in home

At New Horizons, we believe that everyone deserves a place to call home – a place where you feel safe, comfortable, and can live a fulfilling life. We specialise in Supported Independent Living (SIL) and Specialist Disability Accommodation (SDA) that goes beyond just housing.

Whether you're looking for in-home supports, short-term accommodation, respite, or a new forever home, we have you covered. Our Welcome Centre is always open to your enquiries, so please do not hesitate to contact us on **1300 726 372**.

"Recently had a seamless transmission over to New Horizons SIL home for my NDIS participant. Mo and his team have been professional, helpful and supportive throughout the change."

What we will take care of:

- All furniture and appliances in communal areas.
- Where applicable, a house vehicle to take you out and about.
- Personalised care & support tailored to meet your needs.
- Payment of all household services, including electricity, internet, groceries and preparation support.
- Finding your perfect housemate. Compatibility and your happiness are our top priorities.
- Continuous support and handling of paperwork during your review to maintain or increase your NDIS funding. You can focus on what's important, and let us take care of the rest.

At New Horizons, people come first—always! Our team is passionate about going the extra mile for our clients, and we're dedicated to providing exceptional service every single time.

*I recently worked with Mo and the New Horizons team to secure an emergency respite for a client. Their passion and commitment shine through, they prioritise delivering an outstanding level of care. I have no doubts about recommending New Horizons to families. **Thank you Mo and the team for all your support with the smooth transition from respite to SIL.***
